“INSTALLATION COMPLETION FORM” means the form issued by or on behalf of the Seller to the Buyer confirming the completion of the installation of the Goods.

1.2 Any reference in these Conditions to any provision of a statute shall be construed as a reference to that provision as amended, re-enacted or extended at the relevant time.

1.3 The headings in these Conditions are for convenience only and shall not affect their interpretation.

2. Basis of the Sale

2.1 The Seller shall sell and the Buyer shall purchase the Goods in accordance with the Buyer's Written/Verbal Order (if accepted by the Seller), subject to these Conditions, which shall govern the Contract to the exclusion of any other terms and conditions subject to which any such order is made or purported to be made by the Buyer.

2.2 No variation to these Conditions shall be binding unless agreed in Writing between the authorised representatives of the Buyer and the Seller.

2.3 The Seller's employees or agents are not authorised to make any representations concerning the Goods unless confirmed by the Seller in Writing. In entering into the Contract the Buyer acknowledges that it does not rely on any such representations which are not so confirmed, but

nothing in these Conditions affects the liability of either party for fraudulent misrepresentation.

2.4 Any advice or recommendation given by the Seller or its employees or agents to the Buyer or its employees or agents as to the storage, application or use of the Goods which is not confirmed in Writing by the Seller is followed or acted upon entirely at the Buyer's own risk and accordingly the Seller shall not be liable for any such advice or recommendations which is not so confirmed.

2.5 Any typographical, clerical or other error or omission in any sales literature, quotation, price list, acceptance offer, invoice, specification or other document or information issued by the Seller shall be subject to correction without any liability on the part of the Seller.

2.6 Any drawing or technical documents intended for use in the fabrication or installation of the Goods and submitted to the Buyer prior or subsequent to the formation of the Contract remain the exclusive property of the Seller. The Buyer shall not, without the Seller's prior Written consent, utilise such drawing or document for purposes outside of the Contract or transmit or communicate copies to a third party.

2.7 The Goods are designed to meet the standards and the conditions specified in the Contract. Should it become necessary to meet additional design or operating codes or standards, any additional costs incurred by the Seller as a result shall be paid for on demand by the Buyer.

3. Orders and Specifications

3.1 No order submitted by the Buyer shall be deemed to be accepted by the Seller unless and until confirmed in Writing by the Seller's authorised representative.

3.2 The Buyer shall be responsible to the Seller for ensuring the accuracy of the terms of any order submitted by the Buyer, and for giving the Seller any necessary information relating to the Goods within a sufficient time to enable the Seller to perform the Contract in accordance with its terms.

3.3 The quantity, quality and description of and any specification for the Goods shall be as set out in the Buyer's order (if accepted by the Seller).

3.4 If the Goods are to be manufactured or any process is to be applied to the Goods by the Seller in accordance with a specification submitted by the Buyer, the Buyer shall indemnify the Seller against all loss, damages, costs and expenses awarded against or incurred by the Seller in connection with, or paid or agreed to be paid by the Seller in settlement of, any claim for infringement of any patent, copyright, design, trade mark or other industrial or intellectual property rights of any other person which results from the Seller's use of the Buyer's specification.

3.5 The Seller reserves the right to make any changes in the specification of the Goods which are required to conform with any applicable statutory or EC regulatory or legislative requirements or, where the Goods are to be supplied to

the Seller's specification, which do not materially affect their quality or performance.

3.6 No order which has been accepted by the Seller may be cancelled by the Buyer except with the agreement in Writing of the Seller and on terms that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs (including the cost of all labour and materials used), damages, charges and expenses incurred by the Seller as a result of cancellation.

4. Price of the Goods

4.1 The price of the Goods shall be the Seller's quoted price. All prices quoted are valid for 30 days only or until earlier acceptance by the Buyer, after which time they may be altered by the Seller without giving notice to the Buyer.

4.2 The Seller reserves the right, by giving Written notice to the Buyer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost to the Seller which is due to any factor beyond the control of the Seller (such as, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for the Goods which is requested by the Buyer, or any delay caused by any instructions of the Buyer or failure of the Buyer to give the Seller adequate information or instructions.

4.3 Except as otherwise stated in the Seller's Written quotation or in any price list of the Seller, and unless otherwise agreed in Writing between the Buyer and the Seller, all prices are given by the Seller on an ex works basis, and where the Seller agrees to deliver the Goods otherwise than at the Seller's premises, the Buyer shall be liable to pay the Seller's charges for transport, packaging and insurance.

4.4 The price is exclusive of any applicable value added tax, which the Buyer shall be additionally liable to pay to the Seller.

5. Terms of Payment

5.1 Subject to any special terms agreed in Writing between the Buyer and the Seller, the Seller may invoice the Buyer for the price of the Goods on or at any time after delivery of the Goods, unless the goods are to be collected by the Buyer or the Buyer wrongfully fails to take delivery of the Goods, in which event the Seller shall be entitled to invoice the Buyer for the price at any time after the Seller has notified the Buyer that the goods are ready for collection or (as the case may be) the Seller has tendered delivery of the Goods.

5.2 Unless special terms are agreed in Writing between the Buyer and the Seller, the Buyer shall pay the price of the Goods within the date for payment specified on the invoice or if none within 30 days of the date of the Seller's invoice, and the Seller shall be entitled to recover the price, notwithstanding that delivery may not have taken place and the property in the Goods has not passed to the Buyer. Where a milking parlour system or capital plant is sold to the Buyer, the time for payment of the invoice(s) issued for the supply and installation shall be payable as to 10% as a deposit on placing the order, 80% on the presentation of

the due invoice from the Seller to the Buyer at or around the date of delivery of the system, where not all the goods may be delivered, and before installation/commissioning takes place, and the remaining 10% on completion of the installation and commissioning has taken place to the satisfaction of the Seller. The time of payment of the price shall be of the essence of the Contract.

5.3 If the Buyer fails to make any payment on the due date then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to:-

5.3.1 cancel the contract or suspend any further deliveries to the Buyer and forfeit any deposit paid;

5.3.2 appropriate any payment made by the Buyer to such of the Goods (or the goods supplied under any other contract between the Buyer and the Seller) as the Seller may think fit (notwithstanding any purported appropriation by the Buyer); and

5.3.3 charge the Buyer interest (both before and after any judgment) and late payment compensation charges on the amount unpaid, at the rates from time to time as determined by the Late Payment of Commercial Debts (Interest) Act 1998 as amended from the date of invoice until payment in full is made (a part of a month being treated as a full month for the purpose of calculating interest) and the Buyer shall reimburse the Seller for all costs and expenses (including legal costs on an indemnity basis) incurred in the collection of any overdue amount.

6. Delivery

6.1 Delivery of the Goods shall be made by the Buyer or an independent carrier (who shall be the Buyer's agent whoever pays his charges) collecting the Goods at the Seller's premises within 14 days of the Seller notifying the Buyer that the Goods are ready for collection, or if some other place for delivery is agreed by the Seller, by the Seller delivering the Goods to that place.

6.2 Any dates quoted for delivery of the Goods are approximate only and the Seller shall not be liable for any delay in delivery of the Goods however caused. Time for delivery shall not be of the essence of the Contract unless previously agreed by the Seller in Writing. The Goods may be delivered by the Seller in advance of the quoted delivery date upon giving reasonable notice to the Buyer.

6.3 Where the Goods are to be delivered in instalments, each delivery shall constitute a separate contract and failure by the Seller to deliver any one or more of the instalments in accordance with these Conditions or any claim by the Buyer in respect of any one or more instalments shall not entitle the Buyer to treat the Contract as a whole as repudiated.

6.4 If the Seller fails to deliver the Goods (or any instalment) for any reason other than any cause beyond the Seller's reasonable control or the Buyer's fault, and the Seller is accordingly liable to the Buyer, the Seller's liability shall be limited to the excess (if any) of the cost to the Buyer (in the cheapest available market) of similar goods to replace those not delivered over the price of the Goods.

6.5 If the Buyer fails to take delivery of the Goods or fails to give the Seller adequate delivery instructions at the time

stated for delivery (otherwise than by reason of any cause beyond the Buyer's reasonable control or by reason of the Seller's fault) or if the location for delivery is inaccessible or otherwise not suitable for delivery then, without prejudice to any other right or remedy available to the Seller, the Seller may:

6.5.1 invoice the buyer the price of the Goods; or store the Goods until actual delivery and charge the Buyer for the reasonable costs (including insurance) of storage; or sell the Goods at the best price readily obtainable and (after deducting all reasonable storage and selling expenses) account to the Buyer for the excess over the price under the Contract or charge the Buyer for any shortfall below the price under the Contract.

6.6 If on delivery the order is fulfilled in part but not in whole the price in respect of the Goods delivered shall be payable in accordance with these Conditions notwithstanding that not all of the Goods have been delivered.

7. Risk and Property

Risk of damage to or loss of the Goods shall pass to the Buyer at the time of delivery or, if the Buyer wrongfully fails to take delivery of the Goods, 14 days after the Seller has notified the Buyer that the Goods are ready for collection.

7.2 Notwithstanding delivery and the passing of risk in the Goods, or any other provision of these Conditions, the legal title and property in the Goods shall not pass to the Buyer until the Seller has received in cash or cleared funds payment in full of the price of the Goods and all other goods agreed to be sold by the Seller to the Buyer for which payment is then due.

7.3 Until such time as the legal title and property in the Goods passes to the Buyer, the Buyer shall hold the Goods as the Seller's fiduciary agent and bailee, and shall keep the Goods separate from those of the Buyer and third parties and properly stored, protected and insured and identified as the Seller's property, but shall be entitled to resell or use the Goods in the ordinary course of its business.

7.4 Until such time as the legal title and property in the Goods passes to the Buyer (and provided the Goods are still in existence and have not been resold), the Seller shall be entitled at any time to require the Buyer to deliver up the Goods to the Seller and, if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer or any third party where the Goods are stored (and the Buyer hereby gives the Seller irrevocable permission to so enter) and repossess the Goods.

7.5 The Buyer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Seller, but if the Buyer does so all monies owing by the Buyer to the Seller shall (without prejudice to any other right or remedy of the Seller) forthwith become due and payable.

11.3 The Buyer shall store the Goods in a suitable place protected from the elements and if such place shall be a site other than the Premises, the Buyer shall be responsible for moving the Goods to the Premises for installation.

11.4 The Buyer shall furnish all utilities required during installation such as electric power, steam, water, light, heat and compressed air.

12. Export terms

12.1 Unless the context otherwise requires, any term or expression which is defined in or given a particular meaning by the provisions of Incoterms shall have the same meaning in these Conditions, but if there is any conflict between the provisions of Incoterms and these Conditions, the latter shall prevail.

12.2 Where the Goods are supplied for export from the United Kingdom, the provisions of this clause 12 shall (subject to any special terms agreed in Writing between the Buyer and the Seller) apply notwithstanding any other provision of these Terms.

12.3 The Buyer shall be responsible for complying with any legislation or regulations governing the importation of the Goods into the country of destination and for the payment of any duties on them and the Buyer warrants that if an Import Licence or permit is required for importation of the Goods into the country of destination that such Import Licence or permit has been obtained or will be obtained prior to shipment.

12.4 Unless otherwise agreed in Writing between the Buyer and the Seller, the Goods shall be delivered fob the air or sea port of shipment and the Seller shall be under no obligation to give notice under section 32(3) of the Sale of Goods Act 1979.

12.6 The Buyer shall be responsible for arranging for testing and inspection of the Goods at the Seller's premises before shipment. The Seller shall have no liability for any claim in respect of any defect in the Goods which would be apparent on inspection and which is made after shipment, or in respect of any damage during transit.

The Personal Data may be supplied by the Seller to third parties for the purposes of the Seller's own credit management and marketing the Sellers' products and services to the Buyer. The Personal Data will not without the Buyer's consent be supplied to third parties for any other use.

13.2 Any notice required or permitted to be given by either party to the other under these Conditions shall be in Writing addressed to that other party at its registered office or principal place of business or such other address as may at the relevant time have been notified pursuant to this provision to the party giving the notice.

13.3 No waiver by the Seller of any breach of the Contract by the Buyer shall be considered as a waiver of any subsequent breach of the same or any other provision.

13.4 If any provision of these Conditions is held by any competent authority to be invalid or unenforceable in whole or in part the validity of the other provisions of these Conditions and the remainder of the provision in question shall not be affected.
